The Honorable Tammy Baldwin

Services, Education and Related Agencies  
U.S. Senate Committee on Appropriations  
Washington, D.C. 20510

Dear Chair Capito and Ranking Member Baldwin:

The purpose of this letter is to request a recipient change for a Fiscal Year 2027 Congressionally Directed Spending item I previously submitted for consideration in the Senate Labor, Health and Human Services, Education and Related Agencies appropriations bill, listed below. I certify that neither I nor my immediate family has a pecuniary interest in any of the Congressionally Directed Spending items that I have requested, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. I certify that the entity for which I have requested Congressionally Directed Spending is not a for-profit entity. The reason for this change is to correct the recipient name and project city for the University of Illinois (UI) Health Clinic Screening Equipment for People with Disabilities project.

**Account:** LHHS

**Project:** University of Illinois (UI) Health Clinic Screening Equipment for People with Disabilities

**Recipient:** University of Illinois System

**Project Purpose as originally requested in Legi-Mate:** Funding will help the University of Illinois (UI) Health purchase equipment for its clinics that allow people with disabilities to get proper care through accessible diagnostic equipment, such as barrier-free exam tables and wheelchair-accessible scales.

**Request for recipient change:** Change the recipient's name from University of Illinois System to Board of Trustees for the University of Illinois. Change the project city from Urbana, Illinois, to Chicago, Illinois.

Sincerely,

Tammy Duckworth  
United States Senator
